SCARLET SECURITY LTD ACHIEVES ISO9001 & OHSAS 18001 STANDARD REGISTRATION
FROM
THE BRITISH ASSESSMENT BUREAU

Peterborough based commercial & industrial security services; Scarlet Security Ltd has achieved the internationally recognised ISO9001 & OHSAA 18001 establishing it as one of the leaders in its field.

This independent assessment was conducted by the leading Certification Body, the British Assessment Bureau and demonstrates Scarlet Security commitment to customer service and quality in delivery.

Scarlet Security Ltd has now earned the right to display the coveted British Assessment Bureau ISO 9001 & OHSAS certification mark to demonstrate its conformance to the standard.

ISO 9001. ISO 9001 was first introduced in 1987 and requires organisations to demonstrate that they do what they say they do and that they have a quality management system in place to ensure consistency and improvement; leading to high levels of performance and customer satisfaction. Certified organisations are committed to continuous improvement and are assessed annually to ensure progress is being maintained.

OHSAS 18001. OHSAS 18001 was first introduced in 1999 and requires organisations to assess their risk and implement an effective occupational health and safety management system to promote a safe and healthy working environment. Certified organisations are committed to continuous improvement and are assessed annually to ensure progress is being maintained.

Scarlet Security Ltd has shown that it has good service reliability and process controls which mean lower costs for its customers!

Scarlet Security Ltd Director said, "We are particularly pleased to have achieved ISO9001 & OHSAS 18001 certification as it underlines our commitment to our customers and our focus on quality. Not many customers get to see their suppliers' 'back-office' activities. This recognition demonstrates we can provide a quality solution from quotation to delivery."

The benefits of registration to the ISO900 standard include:-

- Streamlining an organisation's procedures.
- Bringing consistency to an organisation's service delivery.
- Reducing cost and rework.
- Improving an organisation's management practices.
- Enhanced status.
- Competitive advantage.
- Lower insurance premiums.

Scarlet Security Ltd has over 10 years' experience within the Construction Industry and has grown steadily from its formation in 2000. It is continuously innovating its services and aiming to have a sizeable market share of the security industry.
